

(6) For all questions, if you need additional space, make copies of the appropriate page.

(f) Follow these instructions to complete Part D—STATE AGENCY AND NON-STATE PROVIDER SURVEY FOR TRAILERABLE BOAT ACCESS SITES:

(1) Ask State agency and non-State providers of access sites for boats less than 26 feet long to fill out Part D.

(2) Non-State providers include the Federal Government, local government, corporations, private owners, and others.

(3) If more than one State agency manages these sites, send this survey to all of them.

(4) If the State agency or non-State provider awards grants to others who provide sites, ask these grantees to respond for these sites instead of the State agency or non-State provider.

(5) If a State agency or non-State provider operates facilities and sites for both nontrailerable and trailerable boats, ask the provider to fill out both Parts C and D.

(6) We prefer that the State agency or non-State provider identify all boat access sites and water-bodies, but if he or she has many sites and water-bodies, the provider may group the information together rather than identify each site individually.

(7) For all questions, if you need additional space, make copies of the appropriate page.

Subpart L—Completing the Comprehensive National Assessment

§ 86.120 What is the Comprehensive National Assessment?

The Comprehensive National Assessment is a national report integrating the results of State boat access needs and facility surveys.

§ 86.121 What does the Comprehensive National Assessment do?

The Comprehensive National Assessment determines nationwide the adequacy, number, location, and quality of public tie-up facilities and boat access sites for all sizes of recreational boats.

§ 86.122 Who completes the Comprehensive National Assessment?

The Service completes the Assessment. We will develop standards in consultation with the States.

§ 86.123 Comprehensive National Assessment schedule.

Using the results from the State surveys, the Service will compile the results and produce the Comprehensive National Assessment by September 30, 2003.

§ 86.124 What are the Comprehensive National Assessment products?

The Comprehensive National Assessment products are:

(a) A single report, including the following information:

(1) A national summary of all the information gathered in the State surveys.

(2) A table of States showing the results of the information gathered.

(3) One-page individual State summaries of the information.

(4) Appendices that include the survey questions, and names, addresses, and telephone numbers of State contacts.

(5) An introduction, background, methodology, results, and findings.

(6) Information on the following:

(i) Boater trends, such as what types of boats they own, where they boat, and how often they boat.

(ii) Boater needs, such as where facilities and sites are now found, where boaters need new facilities and boat access sites, and what changes of features boaters need at these facilities and sites. And

(iii) Condition of facilities.

(b) Summary report abstracting important information from the final national report. And

(c) A key findings fact sheet suitable for widespread distribution.

Subpart M—How States Will Complete the State Program Plans

§ 86.130 What does the State program plan do?

The State program plan identifies the construction, renovation, and maintenance of tie-up facilities needed
